President

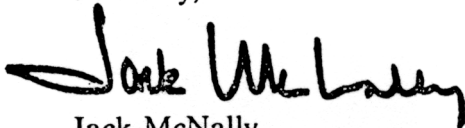

Dear Diana:

I found it interesting to discuss with you American Innoteck's alternative ways to relieve oneself.

Your "Brief Relief" and other similar products appear to be excellent alternatives when faced with situations where restrooms or portable facilities are not available.

I would recommend the use of the "Brief Relief" as an alternative or for emergency situations as long as they are not intended to replace the normal "breaks" or personal time of our members.

Sincerely,

Jack McNally
