Dear Doug,

I enjoyed meeting with you and learning about an excellent alternative to situations that occur every day concerning the need to relieve oneself and no restroom available.

The "Brief Relief" disposable urinal bag certainly fills the bill and is a more sanitary alternative to how this emergency situation is handled presently.

I would have no problem recommending your product as an alternative to using the great outdoors or containers, as is the present practice. Of course, it is understood that your product is not intended to replace Union members' rest periods and personal time.

Sincerely,

TEAMSTERS UNION LOCAL NO. 542
