# Brief Relief™ Disposa-John

## PORTABLE RESTROOM KIT

- Sanitary, single-user system.
- Virtually odor-free.
- Easy to use.
- Trash-container safe urinal bags meet Provincial and Federal Environmental disposal requirements.

*Brief Relief Disposa-John Kits* contain everything needed to safely dispose of solid human waste. Our patented “bag in a bag” design and final zipper closure securely contains the waste and the odor, while our special blend of polymers and enzymes instantly begins to break down the waste and turn it into a deodorized gel.

The *Disposa-John* pouch is really two bags in one. The grey liner is designed to be pulled up over the seat for extra sanitation, while the foil bag contains the polymers and enzymes to instantly gel and break down the waste.
