

ANYTIME • ANYWHERE

Brief Relief™ Field Lavatory System

THE SYSTEM THAT GOES WHEREVER YOU GO

- Completely deploys in 2 minutes.
- Ultra lightweight and compact.
- Requires minimum storage space.
- Unlimited shelf life.
- Spill-proof, leak-proof and odorless.
- Trash-container safe waste kits meet Provincial and Federal Environmental disposal requirements.
- No prep or servicing required.

Personal Privacy Tent pops up quickly and easily and fits into a small carrying bag.

The Commode is a sturdy, top-locking base holding a full size folding toilet seat & *Brief Relief Daily Restroom Kits*.

Brief Relief Daily Restroom Kits include individual disposable *Brief Relief* and *Disposa-John* bags for liquid and solid waste. *Disposa-John Kits* include a heavy duty disposable bag with sealer, toilet paper, an antiseptic towelette and a polymer/enzyme packet to instantly gel and break down waste and eliminate odors.

Brief Relief Disposable Urinal Pouches are designed for use by both men and women and contain our proprietary blend of naturally bioactive polymers and enzymes to instantly turn urine into a deodorized gel. The funnel design and one way valve prevent accidental spills. The pouch can be turned upside down without leaking!
